

UniFirst Appoints Executive Management Committee

June 1, 2017

WILMINGTON, Mass., June 01, 2017 (GLOBE NEWSWIRE) -- UniFirst Corporation (NYSE:UNF) today announced that following the death of Ronald D. Croatti, the Company's Chairman, President and Chief Executive Officer (CEO), the Board of Directors has appointed an Executive Management Committee.

The Executive Management Committee will lead the Company on an interim basis and direct its strategies, operations and business activities while the Board conducts the process of selecting a new CEO. The committee will consist of the senior executive and management team of the Company, all of whom have extensive tenures with UniFirst, and the administrative chair of the committee will be Steven S. Sintros, the Company's Senior Vice President and Chief Financial Officer. The Board will receive regular updates from, and provide strategic guidance to, the committee.

Forward Looking Statements

This public announcement contains forward looking statements that reflect the Company's current views with respect to future events and financial performance. Forward looking statements contained in this public announcement are subject to the safe harbor created by the Private Securities Litigation Reform Act of 1995 and may be identified by words such as "estimates," "anticipates," "projects," "plans," "expects," "intends," "believes," "seeks," "could," "should," "may," "will," or the negative versions thereof, and similar expressions and by the context in which they are used. Such forward looking statements are based upon our current expectations and speak only as of the date made. Such statements are highly dependent upon a variety of risks, uncertainties and other important factors that could cause actual results to differ materially from those reflected in such forward looking statements. The successful transition of the Chief Executive Officer's management responsibilities, our ability to maintain and grow the Company's customer base and enhance its operating margins, our ability to compete successfully without any significant degradation in our margin rates, uncertainties caused by the continuing adverse worldwide economic conditions and their impact on our customers' businesses and workforce levels, uncertainties regarding any existing or newly-discovered expenses and liabilities related to environmental compliance and remediation, any adverse outcome of pending or future contingencies or claims, uncertainties regarding our ability to consummate and successfully integrate acquired businesses, our ability to preserve positive labor relationships and avoid becoming the target of corporate labor unionization campaigns that could disrupt our business, the continuing increase in domestic healthcare costs, including the ultimate impact of the Affordable Care Act, our retention of customers and renewal of customer contracts, uncertainties regarding the price levels of natural gas, electricity, fuel and labor, the negative effect on our business from sharply depressed oil prices, fluctuation on our revenue and net income from our specialty garments segment, the effect of currency fluctuations on our results of operations and financial condition, rampant criminal activity and instability in Mexico where our principal garment manufacturing plants are located, the impact on our goodwill and intangibles that might result from adverse financial and economic changes, our ability to properly and efficiently design, construct, implement and operate our new customer relationship management, computer system, interruptions or failures of our information technology systems, including as a result of cyber-attacks, failure to comply with other state and federal regulations that might result in penalties or costs, seasonal and quarterly fluctuations in business levels, any loss of key management or other personnel, our dependence on third parties to supply us with raw materials, increased costs as a result of any future changes in federal or state laws, rules and regulations or governmental interpretation of such laws, rules and regulations, demand and prices for our products and services, economic and other developments associated with the war on terrorism and its impact on the economy, general economic conditions and other factors described under "Item 1A. Risk Factors" in our Annual Report on Form 10-K for the year ended August 27, 2016 and in our other filings with the Securities and Exchange Commission. We undertake no obligation to update any forward looking statements to reflect events or circumstances arising after the date on which such statements are made.
