*Recommends Shareholders Vote FOR UniFirst's Director Nominees*

*Reiterates Confidence in Strategy and Ability to Deliver Long-Term Growth and Value Creation*

WILMINGTON, Mass., Nov. 12, 2025 (GLOBE NEWSWIRE) -- UniFirst Corporation (the "Company" or "UniFirst") (NYSE: UNF), a North American leader in providing customized business uniform programs, facility service products and first aid and safety services, today filed its preliminary proxy statement in connection with its upcoming 2026 Annual Meeting of Shareholders ("Annual Meeting").

In connection with the filing, the Company announced that its Board of Directors (the "Board") has nominated two highly qualified directors in CEO Steven S. Sintros and Audit Committee Chairman Joseph M. Nowicki to stand for election at the Annual Meeting. Raymond C. Zemlin will be retiring upon completion of his term at the Annual Meeting. Following Mr. Zemlin's retirement, the Board will meet to appoint a Chairman of the Board, which is currently expected to be Mr. Nowicki.

In its preliminary proxy statement, the Company also disclosed that Engine Capital Management, LP ("Engine Capital") submitted to the Company a notice of nomination for two director candidates, Arnaud Adjler, Founder and Managing Member of Engine Capital, and Michael A. Croatti, who previously served as a consultant to the Company. After engagement with Engine Capital and a thoughtful and thorough evaluation of both nominees, the Board recommends that shareholders vote AGAINST Engine Capital's candidates by voting FOR each of the Company's highly skilled and dedicated directors on the WHITE proxy card.

In regard to the Board's recommendation, the Company issued the following statement:

The UniFirst Board and management team regularly review the Company's strategic priorities and opportunities and assess options to enhance value. We have a clear strategy in place – focused on investing in our people, technology and infrastructure – to drive growth, profitability and value for our shareholders, employees, customers and the communities the Company serves.

The UniFirst Board currently comprises seven directors, five of whom are independent and all of whom possess expertise and experience highly relevant to our business and strategy, including in finance, operations, technology, commercial growth, M&A and human resources. We are committed to strengthening and refreshing the Board and have appointed three new independent directors in the past three years. The UniFirst Board will continue to review its composition to ensure it has the right mix of skillsets and capabilities to oversee the Company's strategic plan and create shareholder value.

UniFirst's preliminary proxy materials can be found on the Securities and Exchange Commission's website at [www.sec.gov](http://www.sec.gov). The Company's definitive proxy materials will be mailed to all shareholders eligible to vote at the 2026 Annual Meeting. Shareholders may receive materials, in the mail or through other means, from Engine Capital. The UniFirst Board recommends that shareholders discard any proxy materials received from Engine Capital and vote using the WHITE proxy card they will receive as part of the definitive proxy materials that will be mailed by the Company.
