## UNIFIRST ANNOUNCES FINANCIAL RESULTS FOR THE FIRST QUARTER OF FISCAL 2023

**Wilmington, MA – January 4, 2023** – UniFirst Corporation (NYSE: UNF) (the “Company,” “UniFirst” or “we”) today reported results for its first quarter ended November 26, 2022 as compared to the corresponding period in the prior fiscal year:

### Q1 2023 Financial Highlights

- Consolidated revenues for the first quarter increased 11.4% to \$541.8 million.
- Operating income was \$43.4 million, a decrease of 3.1%.
- The quarterly tax rate increased to 25.2% compared to 24.6% in the prior year.
- Net income increased to \$34.0 million from \$33.7 million in the prior year, or 0.7%.
- Diluted earnings per share increased to \$1.81 from \$1.77 in the prior year, or 2.3%.

The Company’s financial results for the first quarters of fiscal 2023 and 2022 included approximately \$10.0 million and \$5.9 million, respectively, of costs directly attributable to its CRM, ERP and branding initiatives (the “Key Initiatives”). Excluding these Key Initiative costs:

- Adjusted operating income was \$53.5 million, an increase of 5.4% from prior year's adjusted operating income.
- Adjusted net income increased to \$41.5 million from \$38.1 million.
- Adjusted diluted earnings per share increased to \$2.21 from \$2.00 in the prior year, or 10.5%.

Steven Sintros, UniFirst President and Chief Executive Officer, said, “Our results for the first quarter came in largely as anticipated and I continue to be pleased with the steady progress of our key technology and infrastructure initiatives. We continue to be focused on making long-term investments in our business designed to accelerate growth and profitability as well as ensure that we are providing industry leading services for years to come. I want to thank our thousands of dedicated Team Partners that continue to **Always Deliver** for each other and our customers.”

### Segment Reporting Highlights

#### Core Laundry Operations

- Revenues for the quarter increased 11.3% to \$477.4 million.
- Organic growth, which excludes the effect of acquisitions and fluctuations in the Canadian dollar, was 10.7%.
- Operating margin decreased to 7.1% from 8.5%.

The costs incurred during the quarters related to the Key Initiatives, discussed above, were recorded to the Core Laundry Operations’ segment. Excluding these Key Initiative costs:

- Core Laundry adjusted operating margin decreased to 9.2% from 9.9% in prior year. The decrease was primarily due to higher merchandise and energy costs as a percentage of revenues as well as increased costs due to the inflationary environment and the challenging employment landscape, partially offset by lower healthcare claims expense in the quarter.

#### Specialty Garments

- Revenues for the quarter were \$44.1 million, an increase of 11.6%, which was driven by growth in the segment's cleanroom and North American nuclear operations.
  - Operating margin increased to 23.1% from 21.9% a year ago, primarily the result of the strong top-line performance.
-

- Specialty Garments consists of nuclear decontamination and cleanroom operations, and its results can vary significantly due to seasonality and the timing of reactor outages and projects.

#### **Balance Sheet and Capital Allocation**

- Cash and cash equivalents and Short-term investments totaled \$351.2 million as of November 26, 2022.
- The Company had no long-term debt outstanding as of November 26, 2022.
- The Company did not repurchase any shares of common stock in the first quarter of fiscal 2023. As of November 26, 2022, the Company had \$63.6 million remaining under its current stock repurchase program.
- Weighted average shares outstanding – Diluted for the first quarters of fiscal 2023 and fiscal 2022 were 18.8 million and 19.0 million, respectively.

#### **Financial Outlook**

Mr. Sintros continued, “At this time, we continue to expect our revenues for fiscal 2023 to be between \$2.145 billion and \$2.160 billion. We further continue to expect diluted earnings per share to be between \$5.50 and \$5.90. This outlook continues to assume:

- An estimate of \$40.0 million of costs directly attributable to our Key Initiatives that will be expensed in fiscal 2023.
- Core Laundry Operations’ adjusted operating margin at the midpoint of the range of 8.1%.
- A GAAP and adjusted tax rate of 25.0%.
- Adjusted diluted earnings per share between \$7.10 and \$7.50.
- No impact from any future share buybacks or unexpected significantly adverse economic developments.”

See “Reconciliation of GAAP to Non-GAAP Financial Measures” below.

#### **Conference Call Information**

UniFirst Corporation will hold a conference call today at 9:00 a.m. (ET) to discuss its quarterly financial results, business highlights and outlook. A simultaneous live webcast of the call will be available over the Internet and can be accessed at [www.unifirst.com](http://www.unifirst.com).

#### **About UniFirst Corporation**

Headquartered in Wilmington, Mass., UniFirst Corporation (NYSE: UNF) is a North American leader in the supply and servicing of uniform and workwear programs, as well as the delivery of facility service programs. Together with its subsidiaries, the Company also provides first aid and safety products, and manages specialized garment programs for the cleanroom and nuclear industries. UniFirst manufactures its own branded workwear, protective clothing, and floorcare products; and with 260 service locations, over 300,000 customer locations, and 14,000-plus employee Team Partners, the Company outfits nearly 2 million workers each business day. For more information, contact UniFirst at 800.455.7654 or visit [UniFirst.com](http://UniFirst.com).

#### **Forward-Looking Statements Disclosure**

This public announcement contains forward-looking statements within the meaning of the federal securities laws that reflect the Company’s current views with respect to future events and financial performance, including projected revenues, operating margin and earnings per share. Forward-looking statements contained in this public announcement are subject to the safe harbor created by the Private Securities Litigation Reform Act of 1995 and may be identified by words such as “guidance,” “outlook,” “estimates,” “anticipates,” “projects,” “plans,” “expects,” “intends,” “believes,” “seeks,” “could,” “should,” “may,” “will,” “strategy,” “objective,” “assume,” “strive,” “design,” or the negative versions thereof, and similar expressions and by the context in which they are used. Such forward-looking statements are based upon our current expectations and speak only as of the date made. Such statements are highly dependent upon a variety of risks, uncertainties and other important factors that could cause actual results to differ materially from those reflected in such forward-looking statements. Such factors include, but are not limited to, uncertainties caused by an economic recession or other adverse economic conditions, including, without limitation, as a result of continued high inflation rates or further increases in inflation or interest rates or extraordinary events or circumstances such as geopolitical conflicts like the conflict between Russia and Ukraine or the COVID-19 pandemic, and their impact on our customers’ businesses and workforce levels, disruptions of our business and operations, including limitations on, or closures of, our facilities, or the business and operations of our customers or suppliers in connection with extraordinary events or circumstances such as the COVID-19 pandemic, uncertainties regarding our ability to consummate and successfully integrate acquired businesses, uncertainties regarding any existing or newly-discovered expenses and liabilities related to environmental compliance and remediation, any adverse outcome of pending or future contingencies or claims, our ability to compete successfully without any significant degradation in our margin rates, seasonal and quarterly fluctuations

---

in business levels, our ability to preserve positive labor relationships and avoid becoming the target of corporate labor unionization campaigns that could disrupt our business, the effect of currency fluctuations on our results of operations and financial condition, our dependence on third parties to supply us with raw materials, which such supply could be severely disrupted as a result of extraordinary events or circumstances such as the COVID-19 pandemic or the conflict between Russia and Ukraine, any loss of key management or other personnel, increased costs as a result of any changes in federal, state, international or other laws, rules and regulations or governmental interpretation of such laws, rules and regulations, uncertainties regarding, or adverse impacts from continued high price levels of natural gas, electricity, fuel and labor or increases in such costs, the negative effect on our business from sharply depressed oil and natural gas prices, including, without limitation, as a result of extraordinary events or circumstances such as the COVID-19 pandemic, the continuing increase in domestic healthcare costs, increased workers' compensation claim costs, increased healthcare claim costs, including as a result of extraordinary events or circumstances such as the COVID-19 pandemic, our ability to retain and grow our customer base, demand and prices for our products and services, fluctuations in our Specialty Garments business, political or other instability, supply chain disruption or infection among our employees in Mexico and Nicaragua where our principal garment manufacturing plants are located, including, without limitation, as a result of extraordinary events or circumstances such as the COVID-19 pandemic, our ability to properly and efficiently design, construct, implement and operate a new customer relationship management computer system, interruptions or failures of our information technology systems, including as a result of cyber-attacks, additional professional and internal costs necessary for compliance with any changes in or additional Securities and Exchange Commission, New York Stock Exchange and accounting or other rules, including, without limitation, recent rules proposed by the Securities and Exchange Commission regarding climate-related and cybersecurity-related disclosures, strikes and unemployment levels, our efforts to evaluate and potentially reduce internal costs, economic and other developments associated with the war on terrorism and its impact on the economy, the impact of foreign trade policies and tariffs or other impositions on imported goods on our business, results of operations and financial condition, general economic conditions, our ability to successfully implement our business strategies and processes, including our capital allocation strategies, our ability to successfully remediate the material weakness in internal control over financial reporting disclosed in our Annual Report on Form 10-Q for the year ended August 27, 2022 and the other factors described under Part I, Item 1A. "Risk Factors" and elsewhere in our Annual Report on Form 10-K for the year ended August 27, 2022, Part II, Item 1A. "Risk Factors" and elsewhere in our subsequent Quarterly Reports on Form 10-Q and in our other filings with the Securities and Exchange Commission. We undertake no obligation to update any forward-looking statements to reflect events or circumstances arising after the date on which they are made.

## Reconciliation of GAAP to Non-GAAP Financial Measures

The Company reports its consolidated financial results in accordance with generally accepted accounting principles ("GAAP"). To supplement these consolidated financial results, management believes that certain non-GAAP operating results provide a useful measure on which to evaluate and compare the Company's results of operations for the periods presented. The Company believes these non-GAAP results provide useful supplemental information regarding the Company's performance to both management and investors by excluding certain non-recurring amounts that impact the comparability of the results. A supplemental reconciliation of the Company's consolidated operating income, consolidated net income and diluted earnings per share ("EPS") on a GAAP basis to adjusted operating income, adjusted net income and adjusted diluted EPS on a non-GAAP basis is presented in the following table. In addition, Core Laundry Operations' operating income and operating margin on a GAAP basis to adjusted operating income and adjusted operating margin on a non-GAAP basis is also presented in the following table. Investors are encouraged to review the reconciliation of these non-GAAP measures to their most directly comparable GAAP financial measures, which are provided below.

(In thousands, except percentages)	Thirteen weeks ended November 26, 2022						
	Consolidated				Core Laundry Operations		
	Revenue	Operating Income	Net Income	Diluted EPS	Revenue	Operating Income	Operating Margin
As reported	\$ 541,798	\$ 43,418	\$ 33,957	\$ 1.81	\$ 477,398	\$ 33,831	7.1%
Key Initiatives	—	10,041	7,576	0.40	—	10,041	2.1%
